

Advocate & Volunteer Opportunity

Help people, pets, local businesses, and community programs in a flexible role. There is no cost to help and no experience is required. Choose the activities and schedule that fit you.

Ways you can help

✓ Share approved HH4L brochures, website information, and mission	✓ Share internship and employment information
✓ Welcome guests and help with event check-in	✓ Share Boxabl, land, and housing information
✓ Organize free-scan intake and event materials	✓ Introduce nonprofits, community groups, or businesses to Eva
✓ Share membership and healer/provider information	✓ Help with office organization or member follow-up
✓ Support food, karaoke, and community activities	

What you receive

Flexible ways to contribute, practical training, community relationships, references when appropriate, and experience that may help prepare you for a future internship or paid opportunity.

Simple expectations

Use approved HH4L information, ask permission before collecting contact information, protect private information, and never promise healing results, customers, income, financing, employment, housing, or placement. Volunteer service is unpaid and you may stop at any time by telling Eva.

Your possible future path

You may request consideration for a paid internship or employment after volunteering. Future opportunities depend on openings, completed training, reliability, and role fit; interest does not guarantee placement.

Five easy steps

- 1** Review this opportunity and choose how you want to help.
- 2** Complete the simple online Advocate & Volunteer Agreement.
- 3** If you are not ready to sign, send a short interest form so Eva can follow up.
- 4** Choose the tasks and future pathway that fit you.
- 5** After approval, Eva sends your Training Center code by your preferred contact method.
